Each monthly report must be postmarked by the post office or delivered to the Bureau BEFORE the above delinquent date. Any postmark or delivery to the Bureau on or after the delinquent date will result in the assessment of a 10% penalty and one month of interest. If you are unable to file your report before the delinquent date, you may request an extension of time to file. If an extension is granted, you must pay the extension interest (lines 11a and 11b) in addition to the tax due. Failure to file a tax report before the extended delinquent date will result in additional interest and penalty.

LINE 1 - GROSS RENTS. This amount is to include the total room rent you collected during the month including monthly deductions, government exemptions, uncollectibles and other allowable deductions. Also included in Gross Rents are any other items associated with room revenue. Examples include, but are not limited to, pet fees, charges for early check in and/or late check out, cancellation charges, etc. Gross Rents should not include any tax collected, food or any other items not associated with room revenue.

LINE 2 - RENT BY MONTH. This is the amount of rents you received that are paid on a monthly basis, or those transients who stayed, and paid, for more than 30 consecutive days. You can only deduct amounts for which you have documentation and have not collected any tax.

LINE 3 - GOVERNMENT EXEMPTIONS. This is the amount of FEDERAL Government exemptions plus American Red Cross exemptions or Amtrak exemptions. You must be able to support this amount with copies of official government certificates. Red Cross and Amtrak exemptions must also be supported with verification. If not supported, this deduction will be disallowed and you will be liable to the City for the full Transient Lodgings Tax. For more information regarding the Government exemption policy, please visit our website at www.pdxbl.org.

LINE 4 - UNCOLLECTIBLES. Any rent that became uncollectible (due to NSF check or invalid charge card) may be deducted from Gross Rents only if the amount was originally included in Gross Rents. You can only deduct amounts for which you have documentation and have not collected any tax. Only actual bad debts may be taken as a deduction. No allowances or estimates are acceptable. Any uncollectible deduction that cannot be supported will be disallowed and you will be liable for the full Transient Lodgings Tax.

LINE 5 - OTHER DEDUCTIONS. If you accept emergency housing vouchers, the rent is deducted here. Vouchers must be paid directly with government assistance funds. In order to support your deduction, you must keep a copy of all vouchers. Amounts for which you have no documentation will be disallowed.

LINE 14b –This amount should include any TAX COLLECTED BUT NOT RETURNED TO TRANSIENT. If any Transient Lodgings Tax was collected in error and cannot be returned to the transient, it must be submitted to the City. Prior period adjustments should also be included here.
