AMANDA FRITZ, COMMISSIONER
Amalia Alarcón de Morris, Bureau Director
Crime Prevention Program
4747 E. Burnside Street
Portland, Oregon 97215

Organizing and supporting community partnerships to prevent crime and the fear of crime.

Why register your party for National Night Out?

Registered community parties happening between Friday August 3rd and Sunday August 12th receive these benefits:

- Your party is placed on a list given to the Portland Police Bureau and Portland Fire & Rescue. Police officers and firefighters visit the parties and bring their cool gear and vehicles. Kids love it!
- If you will have a band or amplified sound at your party, you will not need to apply for a noise variance. We take care of that for you. The Noise Control Office issues a blanket noise variance for National Night Out events.
- If you want to close down your street for your party, your neighborhood coalition/district office will help you through the application process.
- If you want to hold your party in a City park, and the party is the official National Night Out party for the neighborhood association, park reservation fees are waived.
- If you need insurance coverage for your party because it is being held on a street or in a park, your neighborhood coalition/district office can often extend their liability coverage to you.
- We help you publicize your party through our website and small community newspapers if you desire. We also publicize the citywide event via major news media outlets, and through a kickoff event one week before National Night Out.
- Local businesses, such as grocery stores, print shops, and sign makers, are often willing to donate goods and services to official National Night Out parties.
- We provide assistance to party hosts, such as ideas for great community-building party activities.

Registration begins June 5th, 2012 and ends July 24th, 2012.

You can register or get advice at www.portlandonline.com/oni/nno, or by calling 503-823-4064.
