Re: _____
Business Address Business Name

Installation of UL300 Fixed Fire Extinguishing System (Building #)

The undersigned witness this Stipulated Agreement which will allow _____to continue cooking operations pending
Business Name
installation of a UL300 compliant fixed fire extinguishing system. This requirement was noted in the fire prevention report dated _____.

_____ further agrees to meet the requirements as noted below, of Fire Prevention Policy H-7 "Fixed Extinguishing
Business Name
Systems: UL300 Upgrade", until the compliant system is installed:

- The system shall be maintained as required, including the mandated six month service.
- If for any reason the system fails the semi-annual service and cannot be repaired, a UL 300 compliant system shall be installed immediately.
- The system coverage meets protection specifications for the cooking equipment.
- The hood shall remain unmodified.
- The cooking equipment shall not be changed or altered.
- A class K extinguisher shall be provided in accordance with NFPA 10.
- (Consider regulating type/temperature of oil/lard used in fryer. **If not, delete this line.**)

Installation of the UL 300 compliant fixed fire extinguishing system shall be completed **prior to** _____.
System work shall be done under benefit of permit through this office. Target Date

Failure to comply with this agreement shall result in activation of reinspection fees as specified by City Title 31 and citation before the Code Hearings Officer where additional penalties may be sought.

Questions may be directed to Inspector _____, Tuesday through Friday, at 503-823-_____.
