

# **Northwest District Parking Plan**

Stakeholder Advisory Committee Meeting

November 16, 2010

Rose Room, City Hall

8:00 AM – 9:30 AM

## **1. Introductions**

## **2. Parking Plan**

Fundamental to designing a parking management plan is agreeing to how the district's finite supply of on-street parking is allocated between customers, employees, residents and residential visitors.

1. Introduction to Allocating Parking Supply
2. Allocating Parking Supply Exercise
3. Summary of Exercise and Next Steps

## **3. Public Testimony**

**Handouts:**
