

Northwest District Parking Plan

Stakeholder Advisory Committee Meeting

January 18, 2011

Rose Room, City Hall

8:00 AM – 9:30 AM

1. Introductions

2. Process Items

- a. Resolution to Council extending time

3. Parking Plan

At the November meeting, the Stakeholder Committee examined how the district's finite supply of on-street parking could be allocated between customers, employees, residents and residential visitors.

This month's meeting will further explore this topic

- a. Review where we left off
- b. Discuss three options for defining a pay to park district and permit program
- c. Identify preferred option(s) for additional review

4. Public Testimony
